home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Story Of The H.M.S. Pinafore W. S. Gilbert

The Story Of The H.M.S. Pinafore

H.M.S. Pinafore; or, The Lass That Loved a Sailor, is a comic opera in two acts, with music by Arthur Sullivan and a libretto by W. S. Gilbert. It opened in London, England, on 25 May 1878 and ran for 571 performances, which was the second-longest run of any musical theatre piece up to that time. H.M.S. Pinafore was Gilbert and Sullivan's fourth operatic collaboration and their first international sensation. This is not that opera.

It was adapted as a children's book by W. S. Gilbert entitled The Story of HMS Pinafore, or The Pinafore Picture Book, and includes some lovely illustrations by Alice B. Woodward that can be seen by following the Archive.org link to the actual scanned book if you wish. No singing or any of Sullivan's music, just Gilbert's witty words laid out – by him – in prose and poetry with amusing asides. (Summary by Wikipedia and ToddHW)
